**Web site & Newspapers**

As you are aware a nursery newsletter goes out every month, the photos that appear in the newsletter show the children doing fun and varied activities during the day. We would like to put some of these pictures onto the web site and within the local papers to demonstrate what our children are participating in. Please sign below if you consent to photos of your child appearing on the website. If you would like to visit our website prior to signing, the address is [www.positivestepsnurseries.co.uk](http://www.positivestepsnurseries.co.uk)

I give my permission for any photo of my child taken at Positive Steps Nursery to appear on the web site or local papers
